

Subject: 2022 CAP Best Student Presentation Competition

May 16, 2022

Dear Student Competitors,

It is my pleasure to be responsible for the coordination of this year's CAP Best Student Presentation Competition (BSPC), to be held during this year's Congress. You should have already received confirmation of your entry into the oral or poster competitions and the scheduled time for your presentation. At this time, I want to provide you with some additional information about the competitions. This information will also be available on the CAP Congress website soon.

All oral competition entries will be judged by Divisional Judges in the parallel technical sessions and symposia as scheduled from 10:45 Monday through 16:30 Wednesday. All poster competition entries will be judged by Divisional Judges in the CAP poster session held on Tuesday, June 7, from 17:30 to 19:00.

The list of the finalists that will move forward to the CAP Best Student Oral and Best Student Poster Competitions will be posted by the end of the day Wednesday, June 8, at the CAP desk in the registration area and on the Congress website.

Finalists for the CAP Best Student Oral and Best Student Poster Competitions will give a second presentation on Thursday, June 9.

Winners of the CAP Best Student Competitions and winners of Division Competitions will be announced at the Student Awards Ceremony on Thursday, June 9, 16:30-17:15.

All student competitors should make plans to be in attendance at Congress on the Thursday to be available for the final competition should they be selected (or to cheer on the finalists if not). If you know ahead of Congress that you have to leave before Thursday, please let me know by e-mail (wwhelan@upei.ca).

Student competitors must be a current graduate student member or undergraduate student affiliate of the CAP to be eligible to compete ([click here to join](#) or [click here to check membership](#) and renew if necessary). **The deadline to join and preserve the right to compete is May 20, 2022.**

Thank you for participating in the 2022 CAP Congress and I look forward to meeting many of you at McMaster University. If you have any questions about the CAP Best Student Competitions, please contact me directly.

Regards,

Bill Whelan (wwhelan@upei.ca)
CAP Vice-President Elect, and
Chief Judge of the 2022 CAP Best Student Presentation Competition
