

CITA is a national centre for theoretical astrophysics, gravity and cosmology located at the University of Toronto. The Institute expects to offer several postdoctoral fellowships of three years. The starting date will be September 2025. Funds will be available for travel and other research expenses. A PhD in any field of theoretical astrophysics is required. Fellows are expected to carry out original research in theoretical astrophysics under the general supervision of the permanent faculty whose interests include: astrophysical dynamics, early universe, physical cosmology, interstellar and intergalactic matter, plasma physics and compact objects, galaxy, star, black hole and planet formation, stellar physics, high energy astrophysics and gravitational waves.

Please apply online at: <https://icat.cita.utoronto.ca/pdf>

Full job ad: <http://www.cita.utoronto.ca/opportunities/post-docs>

We only accept electronic submissions. Applicants will be asked to submit a curriculum vitae, statement of research interests and arrange for three letters of recommendation.

The deadline for applications and all letters of recommendation is **November 4, 2024**.

Diversity Statement

The University of Toronto embraces Diversity and is building a culture of belonging that increases our capacity to effectively address and serve the interests of our global community. We strongly encourage applications from Indigenous Peoples, Black and racialized persons, women, persons with disabilities, and people of diverse sexual and gender identities. We value applicants who have demonstrated a commitment to equity, diversity and inclusion and recognize that diverse perspectives, experiences, and expertise are essential to strengthening our academic mission.

Accessibility Statement

The University strives to be an equitable and inclusive community, and proactively seeks to increase diversity among its community members. Our values regarding equity and diversity are linked with our unwavering commitment to excellence in the pursuit of our academic mission. The University is committed to the principles of the Accessibility for Ontarians with Disabilities Act (AODA). As such, we strive to make our recruitment, assessment and selection processes as accessible as possible and provide accommodations as required for applicants with disabilities.
