

STRATEGIC PLAN

2025-2029

Our Mission

A vibrant and inclusive physics community that fosters discovery and innovation in Canada

Our Vision

To champion physics and broaden our community in Canada

Our Values

- Excellence & professionalism
- Equity, diversity & inclusivity
- Collegiality & mentorship

CAP'S STRATEGIC PLAN

Goal 1

Establish the CAP as the voice of physics in Canada

Strategy 1

Enhance communications and engagement among the physics community and with external groups and partners

Goal 2

Increase the CAP's relevance across the physics community with a goal to double membership

Strategy 2

Enhance programs and services to improve the value of membership for students and physicists in all sectors
