Carleton University
Ottawa, ON
June 22-25, 2026**

[2026 CAP Congress Website](#)

**Check out our exciting sponsorship & exhibit opportunities!
Book by March 25th to maximize posted material.**

- Over 540 abstracts have been submitted for the 2026 Congress.
- Delegate registration is expected to be between 650-800+.
- Delegates will include Canadian physicists from all sectors, including academia and industry, undergraduate and graduate students, and physics teachers.
- Sponsor/exhibit to connect with leaders in the profession, next-generation physicists, and get updated on the latest research and practices.
- Does your company hire physicists? Let us know and use your sponsorship/exhibitor promo page to raise awareness to the student delegates.

The Canadian Association of Physicists (CAP) and the University of Ottawa/Carleton University Local Organizing Committee invite you to be a sponsor and/or an exhibitor at the 2026 CAP Congress. This annual event serves as a central hub for Canadian physicists across academia, industry, and education, bringing together top leaders in physics, rising young talent, and innovative researchers from around the world.

Exhibiting at, or sponsoring, the 2026 CAP Congress offers your organization unparalleled access to this vibrant community and a unique opportunity to connect with over 650-800+ delegates, including senior professionals, early-career physicists, and students ready to take their place in the field. By partnering with CAP, you support the advancement of physics in Canada and strengthen your organization's profile among thought leaders, emerging innovators, and prospective hires.

Whether your company hires physicists, seeks brand exposure among scientific professionals, or aims to be associated with cutting-edge research, the CAP Congress is the place to make those connections.

Sponsors and exhibitors should book by April 22nd, 2026 to guarantee the full suite of promotional materials/activities. Bookings will be accepted until June 1st, 2026 as availability allows.

2026 EXHIBITOR OPPORTUNITIES

For 2026, the CAP Congress will move from a traditional exhibit hall model to a suite-based engagement format designed to foster deeper interaction between delegates and industry partners.

Exhibitors will be hosted in private rooms located along the central corridors of the Congress venue. Technical and symposia sessions will take place on the same floors, and refreshment areas will be located nearby. Delegates will circulate past exhibitor suites as they move between sessions and scheduled breaks, ensuring consistent visibility throughout the Congress.

Each room features full glass walls, providing high visibility while allowing exhibitors the flexibility to create a welcoming and branded environment. Signage will be displayed outside each suite, and exhibitors are welcome to supplement with their own materials.

Exhibitor suites will be open from 12h00 on Tuesday, June 23rd through 16h15 on Thursday, June 25th to allow for maximum engagement with delegates. Suites are reserved for the full Congress exhibit period; single-day bookings are not available.

To register and secure your spot, please complete the [online registration form](#). Should you have any questions regarding registration, contact us via email at programs@cap.ca.

2026 SPONSORSHIP OPPORTUNITIES

There are numerous sponsorship opportunities available for the 2026 CAP Congress. They range from copper (\$1,000) to diamond (\$7,500).

The list of opportunities is outlined in the table that follows. In addition to sponsoring talks or technical sessions, high-level sponsors will be provided with the opportunity to brand one of the CAP's plenary talks or parallel sessions.

After you [book your Congress support](#), you will be sent a sponsor package outlining the full range of benefits associated with your sponsorship and how to submit the required material.

SPONSORSHIP OPTIONS

The sponsorship is structured to have options that deliver increasing levels of engagement and promotion, with a package that should be suitable to your preferences. The table that follows lists the available sponsorship packages and the recognition and benefits that accompany each. Anticipated participation at the 2026 Congress is 650-800+ delegates.

The CAP will consider exclusive sponsorship of any of the events listed below provided that we have not already received sponsorship commitments for the event. Such exclusivity is valued at double the listed cost of sponsorship and includes an option to provide a 15-second sponsor ad played before a plenary talk.

Sponsorship Packages
